### Our management team:

The business is driven by our 4 working directors, collectively they accumulated more than 30 years of work experience in the building industry. They are involved in the business development, procurement, project management and administration of the company.

### Our people:

Our people are crucial in the delivery of our services and solution to our clients. In order to ensure that everyone is equipped with the right skill, knowledge and attitude, a comprehensive training programs are put in place to constantly upgrade our people in technical and management skills.

We believe firmly in providing the right training, accredited certification and practical knowledge for our people, in order for them to execute their duties and responsibilities confidently. Our aim is to stay relevant to the ever-changing market place and client's requirement.

### History & philosophy

Sama Al-Afaq for trading and global contracting LTD, began as general works contractor in 1976. Over the years, the group has undertaken many challenging projects and accumulated skills, know-how and experience in design and build solutions, project management services, building trades and related engineering works.

Today, Sama Al-Afaq for trading and global contracting LTD, takes on the role of main contractor for small to medium size projects and performs project management services to coordinates specialist trades for industrial/commercial projects. We also specialist in maintenance projects.

Our objective is to provide our clients with an "I am assured" experience when we are chosen to execute their projects. Our emphasis on clear communication and follow-through procedures ensures that client's objectives are top priority in the planning and execution of all our processes.

Our project management and execution philosophy is:

- Create detail schedule and resources plan to -
- meet client's project objective,
- Communicate clearly with all project stakeholders,
- Track project progress and fine-tune deviation,
- Supervise closely on quality of work done,
- Complete and commission the project on time,

We take pride in our delivery, thus our clients can always be assured that only the most experienced and qualified people are serving them, all the time.
